

# We are recruiting for our METRO POTENTIALS READY<sup>2</sup>LEAD Global Management Trainee program!

## About METRO Cash & Carry:

We take our inspiration from the entrepreneurial spirit and the limitless energy of independent business people. From the very beginning, the stores of METRO Cash & Carry have focused on creating a tight bond between their local staff and the most important aspect of their business operations: our **21 million customers** in **25 countries** around the world.

## Why METRO POTENTIALS?

METRO POTENTIALS is our dynamic graduate management program designed to develop METRO Cash & Carry's future leaders.

By joining us, you'll embark in the most challenging and fabulous journey of your professional life with the final destination Leadership Master.

In the first two years you'll complete five assignments, each lasting between three and six months, where you'll be based locally or abroad.

## Our future METRO Potential trainee must have:

- Master degree (or equivalent) in the field of Business, Trade or other Business Schools
- Age between 23 and 28
- Maximum of 3 years work experience
- Fluency in English
- Strong leadership potential
- International mobility
- Independent and ambitious
- Strong communication skills

## Show us your potential!
